IT WOULD BE GREAT TO HAVE 24HR WEATHER AND TRAFFIC UPDATES, BEING THE LOCAL STATIONS ONLY REPORT IN THE RUSH HOUR PERIODS OF THE DAY. HERE IN S.FLORIDA THE WEATHER CHANGES OFTEN AND LOCAL RADIO DOES NOT COVER STORM WARNINGS DURING THE DAY, ONLY DURING RUSH HOUR TIMES. SAME GOES FOR TRAFFIC, AND BEING ON THE ROAD AS A SALES REP IT WOULD BE GREAT TO GET INFO THROUGHOUT THE DAY AND AVOID BEING CAUGHT IN A TRAFFIC MESS OR A FLASH FLOOD..
XM IS THE BEST THING IN MOTORING AS FAR AS I AM CONCERNED.
